21-24 FEBRUARY 2022, AUCKLAND, NEW ZEALAND

As the pre-eminent event for Global leaders in Colorectal surgery, this meeting will provide a tremendous opportunity to exchange ideas around the latest developments and issues. We will reach our global audience both online and in-person.

Looking Forward, Looking After | Mā Muri Ki Mua

Our theme is even more relevant as we all adjust to a new way of meeting, sharing knowledge and connecting. We will continue to focus on looking from the past to the future with a clear vision of how we are caring for our patients.

Professor Ian Bissett, Convenor
